

# PLAY

Play is a Y  
And play is an L.  
And sometimes Play is an A.  
And quite often, Play is a P.  
And I love my P, I love my L.  
Or I don't like my Y.  
I don't like my A.  
He loves Play.  
But She doesn't Play.  
But we like to Play.  
And my time and you're time with Play.  
So to say.  
And hey.  
I love my Play.  
And your Play.  
And sometimes her Play.  
And  
Never a question.  
Never an answer.  
Never too good.  
Never too bad.
